

EMAIL SENT TO ALL B&NES CLLRS 4 DECEMBER 2023

Dear Councillors

Subject: Urgent Response Required - Call for Ceasefire in Gaza

Further to the statement I presented at the full council meeting on Thursday, 30 November 2023, representing a dynamic coalition of Bath organisations, which continues to grow, I urge your prompt attention to a critical matter: the call for a permanent ceasefire in Gaza.

Your support is pivotal. Please confirm your stance on this vital issue by replying directly to this email with one of the following options:

- I support a permanent ceasefire.
- I don't support a permanent ceasefire.
- I abstain.

Your timely response is appreciated, and your position will be recorded on an online document soon to be hosted on www.bathcampaigns.org.uk. The online document will include the statement given at the council meeting and a table for recording councillors' responses.

Your response will be crucial in building momentum for further actions, including a potential council resolution. The online document will serve as a transparent record of your collective commitment to peace, justice, and the rule of law.

Thank you for your attention.

Best regards

Nicola James

On behalf of: Bath Campaigns Network, Bath Friends of Palestine, Bath Stop War, and Rethinking Security BANES, Bath TUC
